Robert Macey, is on the move after over 17 years at Ramsdale Park Golf Centre, in Nottingham. He will be joining the team at Norwood Park in Southwell as Club Professional working with the new General Manager Paul Thornton.

Ramsdale Park privately owned by Burhill Golf & Leisure, will be taking the shop in-house from when Macey's contract ends in May. This is a strategic decision in line with their other golf operations in the UK.

Macey has been associated with the company for over 27 years, firstly at Hoebridge Golf Centre in Woking and then relocating to set up Ramsdale Park in 1992. He is a past Captain of the Midland PGA and Notts PGA, highly regarded within the region for commitment to golf development.

"I understand the company position with regards to the retail element at Ramsdale Park, I am grateful for the opportunities they have given me both in Nottingham and Surrey. Whilst it will be sad for both myself and partner Jackie to leave, especially the very loyal staff and friends we have made there, I am now really looking forward to a new and exciting challenge at Norwood Park"

Norwood Park is now in its 11th year of operation, and facilities continue to improve. The Complex has now 27 excellent golf holes in play, including the opening of a Par 3 9 Hole West Wood Course last year built to USGA standards with buggy paths all the way round. Ideal for beginners, juniors or those wanting to improve the short game.

Sir John Starkey, Owner said

"I am thrilled Robert is joining us, we have a very strong management team in place which will ensure Norwood Park surges forward over the next few years"

Incoming General Manager and current PGA Professional, Paul Thornton reports

"We are all very excited about the future. We already have some fantastic facilities here and the potential is huge. Myself and PGA Assistant Natalie Haywood are really looking forward to working with Rob and Jackie to fulfill that potential"
