

NORWOOD PARK
NOTTINGHAMSHIRE, ENGLAND

Dear Client,

Over the last few months I have spent a lot of time thinking how to give Norwood Park Clients the best value for money, whilst making organising a wedding as easy as possible, without losing the personal touch. It is your wedding, and we appreciate that it is one of the most important days in your family's life.

We do not want to impose strict guidelines, or sell you something you do not want. So, whilst we are still very happy to continue offering our Bespoke Wedding Service, also, as an alternative, we have now prepared some all-inclusive packages, which I believe will give you better value, without compromising on the high standards we both expect.

Any wedding has certain fixed costs; the cost of hiring the venue, the cake, the flowers, the photographer, the evening music, the staff, etc. It therefore follows that the bigger the party, the further the cost runs to lower the fixed cost per person. It is also important to realise that not everybody wants 150 guests, so we have put together deals for three magic numbers; 90, 120 and 150. These being divisible by three, means that the number of guests invited by the Bride and Groom, The Bride's Parents and the Groom's parents can all be shared equally. The progression in numbers can offer up to 20% discount for the Host!

In my thinking, it does not make sense to offer a package for numbers less than 90 as the fixed costs cannot be sufficiently spread, so for those of you wanting something smaller we recommend our Bespoke Wedding Service.

We have also, in our experience, realised that no two weddings are the same; that expectations on the Host's provision change. Hosts often want to provide at different levels of hospitality. In order to cater for this, we have prepared different levels of package to meet their specific requirements. I have therefore prepared three levels of hospitality to meet the Host's aspirations and continue to give really good value for money, the 'Sir John', the 'Sir William' and the 'Sir Lewis Randle'.

As you can understand, our superb parkland venue at Norwood is becoming increasingly busy, and so we invite you to consider a mid-week date. People in today's working environment are more able to choose their leisure time, and we are able to offer a special discount to our package for a mid-week wedding. I appreciate that this is not always ideal, but our **cash back** proposal is something you need to enquire about.

In today's society, weddings are an expensive item. Our aim is to limit our Hosts' exposure to the cost of entertaining, by offering what; in my experience, is real value for money.

Please do not hesitate to call us if you have any queries.

Yours sincerely,

Georgie Starkey
